SIA “LL & K” / A CONCRETE OFFER

Your home.
Our responsibility

What we can improve together
in your building and shared courtyard.

Next door to Upīša Pasāža · Marijas and Ernesta Birznieka-Upīša street block

WELL-KEPT SURROUNDINGS · CLEAR MANAGEMENT · LONG-TERM PLAN

Your building is special.

Its value comes not only from the building, but from what surrounds it.

Next to Upīša Pasāža stands a building with a shared, walk-through courtyard between Marijas and Ernesta Birznieka-Upīša streets. Together we can make it tidier and safer.

ONE ENVIRONMENT

A well-kept courtyard, cleanliness and thoughtful daily upkeep.

SAFETY AND ORDER

Cooperation and clear solutions for the shared area.

LONG-TERM PLAN

Priorities, order of works and transparent costs.

What would change?

Two neighbouring areas, one approach.

Since Ernesta Birznieka-Upīša iela 13 is right next to Upīša Pasāža, upkeep of the shared area can be coordinated. The goal is a tidy, safe and well-kept environment with clear, transparent works and costs.

GROUNDS CLEANING

Regular cleaning of the courtyard and shared areas, seasonal grounds care.

SAFETY AND LIGHTING

Assess safety needs and improve lighting, with clear priorities.

WELL-KEPT COURTYARD

Greenery and courtyard upkeep, coordinated work and clear responsibility.

We are right here.

Being close means being responsible.

LL & K already manages the neighbouring Upīša Pasāža. This keeps us close to everyday issues and lets us coordinate work in the shared area better.

We spot the problem. We organise the fix. We follow it through.

A PRACTICAL APPROACH TO DAILY MANAGEMENT

PRESENCE

We are nearby, so we can inspect the area and spot needs early.

WORK COORDINATION

We bring in specialists and follow the work through.

CLEAR COMMUNICATION

We keep residents informed about priorities and next steps.

How the fee is split

A transparent, indicative monthly cost breakdown

TOTAL PER MONTH

€0.88/m²

01–05 / DAILY UPKEEP

01	Cleaning of shared spaces and grounds	€0.417
02	Property manager fee	€0.088
03	Work organisation and administration	€0.087
04	Technical inspections	€0.072
05	Accounting and payments	€0.052

06–10 / MANAGEMENT AND CONTROL

06	Organising repairs	€0.041
07	Building file and documentation	€0.035
08	Service contract administration	€0.035
09	Communication with owners and authorities	€0.030
10	Fire safety and regulatory compliance	€0.023

The breakdown is indicative and based on the cost proportions of a similar property; the final calculation will be confirmed using your building's data.

What do you get for your money?

Management built on daily work, clear oversight and transparency.

Building oversight

Checks of shared spaces and grounds, spotting problems early.

Cleanliness and grounds

Organising cleaning and seasonal grounds care.

Work coordination

Planning the necessary works, bringing in specialists and overseeing them.

Financial transparency

Clear records of payments and expenses, information on planned works.

Communication and accountability

Handling residents' questions and reporting on progress.

You know what is being done, why it is needed and how the building's money is spent.

LL & K / PROVEN IN PRACTICE

Results you can see in person

- ✓ **Renovated façades**: damage repaired, character preserved
- ✓ **Tidy waste area**: enclosed, clean and safe
- ✓ **New sewer system**: fixed properly, not patched
- ✓ **Improved grounds**: greenery, paving and lighting

From a damaged façade to a well-kept look

Building protected

Cracks and damage fixed before they became a costly problem.

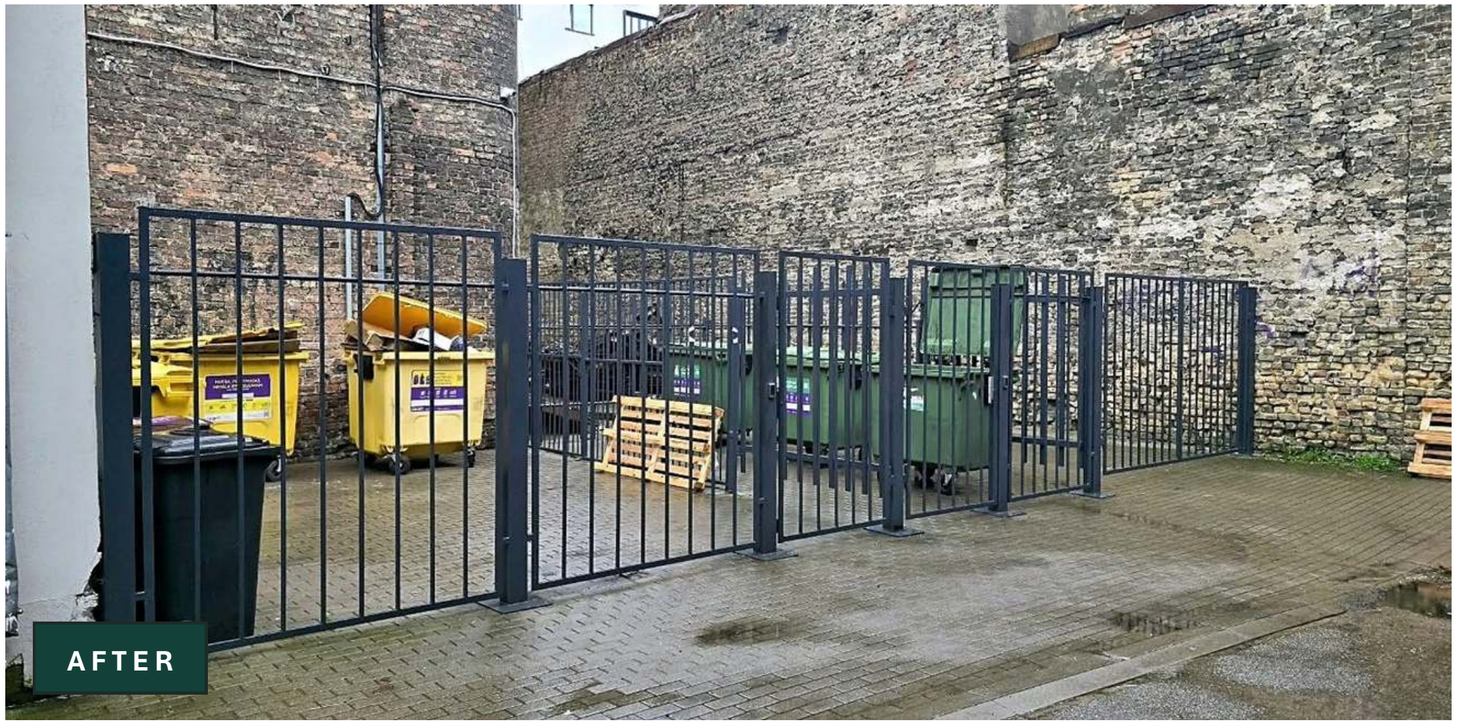

Higher value

A well-kept façade raises the value of every flat and unit.

From disorder to a clean, enclosed area

Before: an open, littered spot anyone could access. Now: a locked enclosure and order every day.

- **A cleaner courtyard**
- **No unwanted visitors**
- **A nicer everyday life for residents**

A problem underground, solved for good

We replaced old, damaged pipes with a new system and restored the paving above it. Not patched, but properly fixed.

- **Effective drainage**
- **Lower risk of emergencies**
- **Fewer unplanned costs**

Old manhole

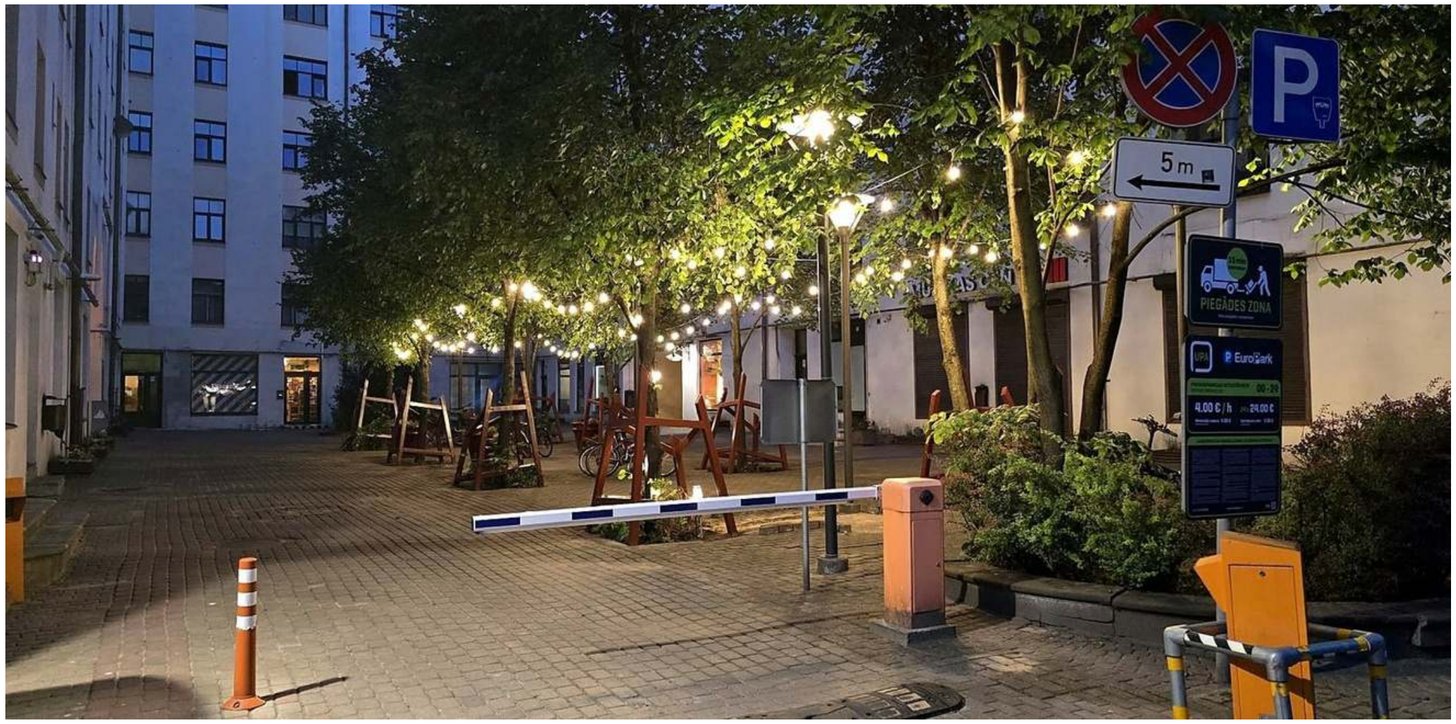

Damaged pipes

New system

Restoring the paving

A place you enjoy coming home to

We improved the inner courtyard so it is safe, bright and pleasant all year round.

- **Well-kept trees and greenery**
- **Lighting and a sense of safety**
- **Good paving all year round**
- **Higher property value**

Already under way

A worn façade with cracks and damp stains. We are fixing the damage and restoring a well-kept look.

- **Damage fixed in time**
- **A tidier place for everyone**
- **Higher property value**

Our people. Everyday work.

We have our own staff who look after the property and carry out the daily work.

We don't just organise. We are personally involved in caring for the property every day.

A presence you can feel.

Our own team means clearer responsibility and closer daily control.

Daily upkeep

Day-to-day work in shared spaces and on the grounds.

Quick response

Spotting problems and getting the needed work done.

Accountable for results

Quality control and communication with residents.

OUR OWN PEOPLE · DAILY WORK · CLEAR RESPONSIBILITY

Where do we start?

First, a clear picture of the building's needs.

We start by assessing the technical condition and daily upkeep. Then we set priorities, plan the order of works and inform owners about possible costs.

COURTYARD AND CLEANLINESS

Regular cleaning of the courtyard and shared spaces, seasonal greenery care and a review of the playground.

SAFETY AND LIGHTING

We will review lighting, access and ways to make the shared courtyard safer.

TECHNICAL CONDITION

We will check wall damage in the lobby, corridors and garage, and assess the roof and ventilation.

The first 90 days

A clear plan to set priorities and show first results.

DAYS 1–30

Building assessment

We inspect shared spaces and the courtyard, check the roof, ventilation and walls, and review documents and current needs.

DAYS 31–60

Priorities and repairs

Restoring wall finishes in the ground floor lobbies and parts of the walls in the garage.

DAYS 61–90

First works and report

We carry out agreed improvements and necessary works as resources allow, and report to owners on progress, costs and next steps.

After 90 days: a clear plan of the building's needs, priorities and next steps.

More than building management.

We care for the place where you live.

WELL-KEPT SURROUNDINGS

Clean shared spaces and tidy surroundings.

SHARED SPACE

A courtyard and greenery that make everyday life pleasant.

LONG-TERM CARE

Problems spotted early and sound decisions to preserve the building.

COOPERATION

We listen to residents and set priorities together.

Why choose LL & K?

We don't just organise management. We are involved in the building's daily life and its long-term upkeep.

Our goal is clear responsibility, well-kept surroundings and sound decisions made together with owners.

Close by. Accountable. Hands-on.

A practical approach to building upkeep: from daily care to planning works.

Experience right next door

We also manage Upīša Pasāža, so we know the area and the value of shared surroundings.

Our own team for daily work

Our staff take part in property upkeep and daily tasks.

Clear communication and accountability

We listen to owners, explain plans and keep you updated on progress.

EXPERIENCE · DAILY WORK · ACCOUNTABILITY

Your home.

Our responsibility.

A well-kept environment starts with responsible management.

Let's create a tidy, safe and well-kept environment in your building together.

WELL-KEPT SURROUNDINGS · CLEAR MANAGEMENT · LONG-TERM PLAN
